# Built-In Dishwashers

Dramatic design. Exceptional cleaning. Incredible capacity.

*GE*

## Profile™

*We bring good things to life.*

# Dramatic design. Exceptional cleaning. Incredible capacity.

**Featuring—the new GE Profile™ dishwashers with stainless interior.**

## Beautiful on the outside and inside.

▍ **Exclusive full-length, one-piece color wrap contour door** elevates any kitchen decor.

▍ Two durable interiors backed by a lifetime warranty.*

– The brilliant **stainless steel interior** with lustrous Pearlescent™ racks, creates a rich, inviting appearance.

– The classic **PermaTuf® interior** offers a bright, white appearance.

## No dishwasher holds more.**

▍ **Tall-Over-Tall™ towerless rack** design allows a single load to handle all the dishes and cookware that go into a memorable dinner for four or 16 place settings at once.

▍ **Four-position adjustable upper rack** allows for great loading flexibility.

▍ Only GE has **adjustable upper racks** and **100% fold-down tines** in the lower rack.

## GE's quietest Profile dishwashers.

▍ Two advanced sound packages ensure the kitchen stays incredibly quiet.

– **QuietPower™ IV sound package** includes Thinstall™ Plus insulation that surrounds the dishwasher and ActiveVent II that closes during the wash cycle to keep sound from escaping.

– **QuietPower V sound package**, found on stainless interior models, includes Thinstall insulation surrounding the dishwasher and door, ActiveVent II and heat-bonded bitumen for exceptional sound-deadening performance.

## The highest performance dishwashers you can buy…guaranteed!

▍ The best combination of:

– **Wash performance** through the ExtraClean™ wash system

– **Sound performance** through the QuietPower V and QuietPower IV packages

– **Usable capacity** through Tall-Over-Tall rack design

– **Energy efficiency and water consumption** through our ExtraClean sensor with automatic temperature control

*See written warranty for details.
**Based on competitive literature.

# Feature gallery.

**Dramatic design. Exceptional cleaning. Incredible capacity.**

### Stainless steel interior

Lustrous, commercial grade stainless steel provides lasting beauty that resists corrosion.
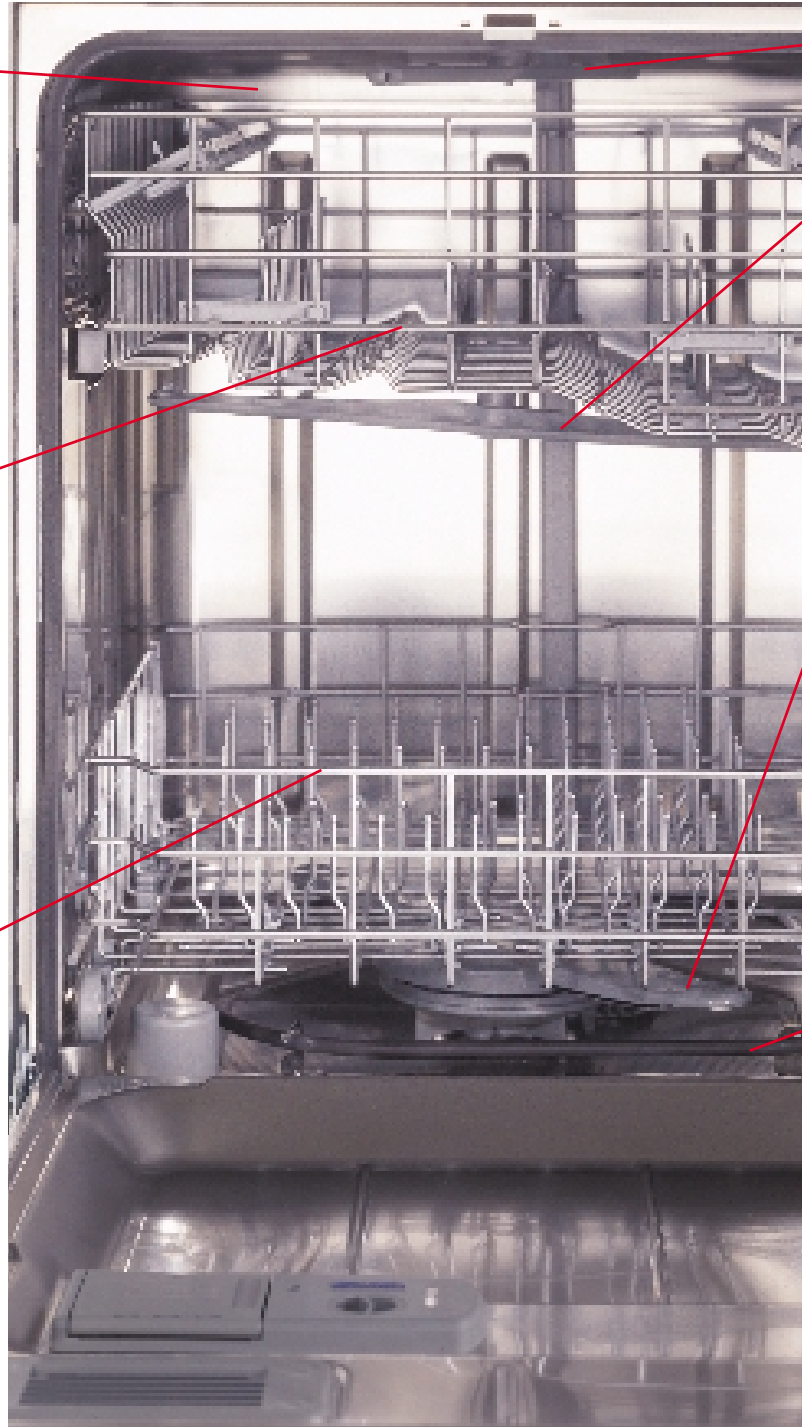

### Removable upper rack

Allows more room for washing oversized items when combined with 100% fold-down tines in the lower rack.

### Color-matched Pearlescent™ racks

Coated with high-quality nylon to complement the radiance of the stainless interior.

## Three direct-feed wash arms

Clean every spot on every dish.

## Silverware and ExtraBasket™

Add flexibility while keeping silverware from crowding, so forks, knives and spoons get clean.
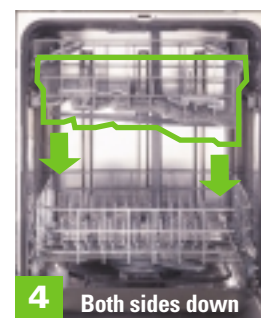

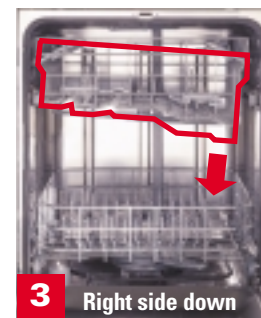

## Unique multi-wattage Calrod® heater

Delivers the perfect wash and dry temperatures for both cookware and fine china. Allows dish sanitization with inlet water as low as 95°F.

## Four-position adjustable upper rack

Allows both sides to move up, down and diagonally for maximum loading flexibility.

**1** Standard position

**2** Left side down

**3** Right side down

**4** Both sides down

# The inside story.

**Dramatic design. Exceptional cleaning. Incredible capacity.**

### ActiveVent II

Closes during the wash cycle to keep sound from escaping.
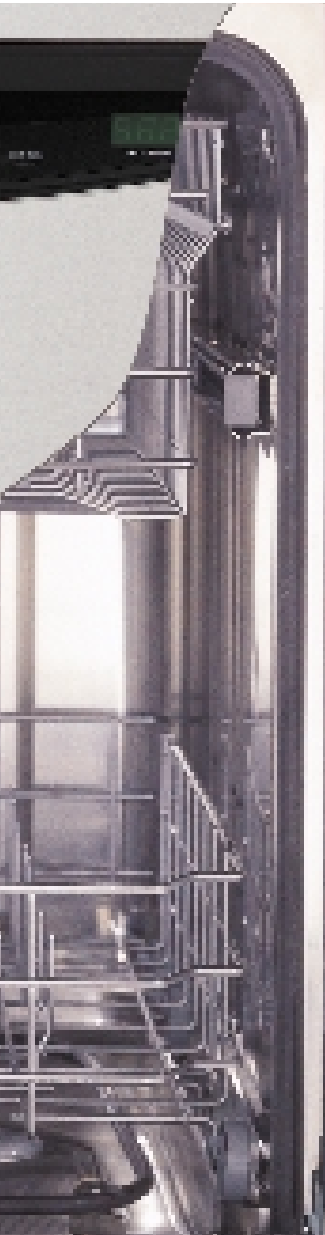

### Long door design

Eliminates the access panel, where sound can escape.

### Silent cross-convection drying

Natural, silent cross-convection airflow dries dishes much more quietly than fan drying.

## Quiet tub

The advanced **QuietPower™ V** sound package includes:

– **Heat-bonded bitumen**, a higher quality mastic for exceptional sound deadening.
– **Stainless steel tub and inner door**, to enhance the benefits of the heat-bonded, sound-reducing material.
– **Thinstall™ insulation** surrounds the dishwasher and door to keep sound inside.
– **ActiveVent II** closes during the wash cycle to keep sound from escaping.
– **Electronic cycle controls** reduce noise associated with cycle changes.

## Quiet door

Bitumen, Thinstall and stainless steel combine to create a sound barrier during the wash cycle.
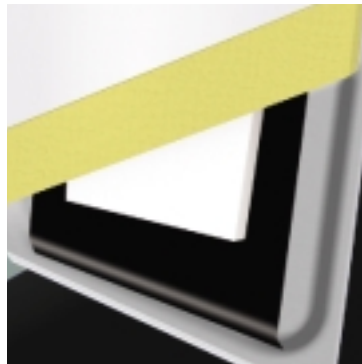

## ExtraClean™ sensor

Continually monitors every cycle, adjusting to ensure dishes get clean efficiently.
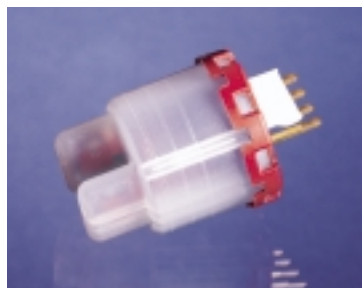

# $D$are to compare.

**GE Profile™ dishwashers with stainless interior.**

## The leading edge of kitchen design

▍ **Innovative designs**, like inlaid electronic controls and one-piece color wrap contour door allow the GE Profile stainless dishwasher to stand out from the rest.

▍ The unique, GE Profile stainless steel wrap contour door design has received an **ADEX Gold "Award for Design Excellence"** from <u>Design Journal</u> magazine.

Appearance is the #1
pre-purchase cue.
GE wins, hands down.

## Largest capacity

▍ From salad to sorbet, a single load handles all the dishes and cookware that go into a memorable dinner for four.

▍ Accommodates up to 16 place settings at once, as well as some of the kitchen's tallest items.

No dishwasher
holds more.*

| Dare to compare how many place settings these dishwashers will hold. | 16 | 14 | 14 | 14 | 14 | 12 |

*Based on competitive literature.

**22"**
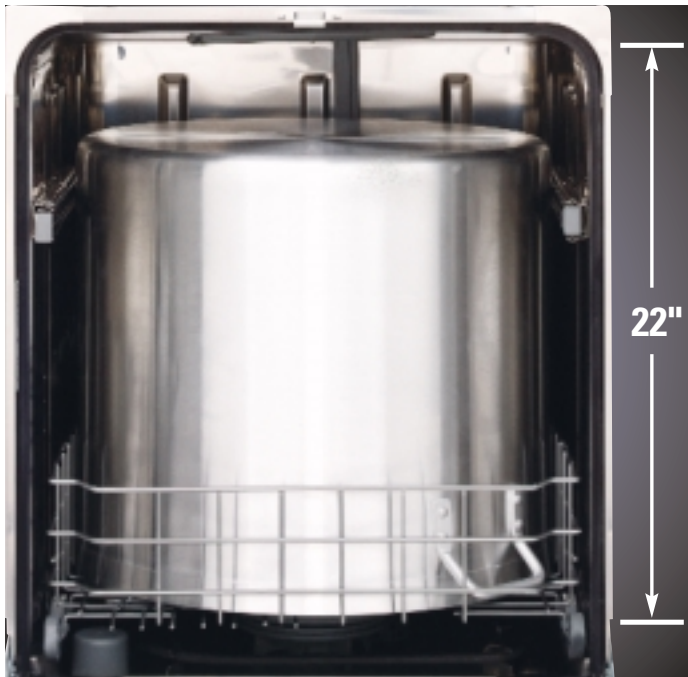

## Superior upper and lower rack flexibility

▌ Removable upper rack for 22 inches of usable height

▌ Four-position, adjustable upper rack

▌ 100% fold-down tines in lower rack

▌ Three-piece modular silverware basket with ExtraBasket™

## Unmatched loading flexibility.

| GE Profile Stainless | Competitive Stainless |

## Tall-Over-Tall™ rack design

▌ Holds tall wineglasses and a 20-quart stockpot all at the same time.

▌ Direct-feed towerless wash system provides 100% usable capacity in the upper and lower racks.

## Maximum flexibility at your fingertips.

# Show and tell.

**GE Profile™ dishwashers with stainless interior.**

## Flexibility

**1** Standard position

**2** Left side down

**3** Right side down

**4** Both sides down
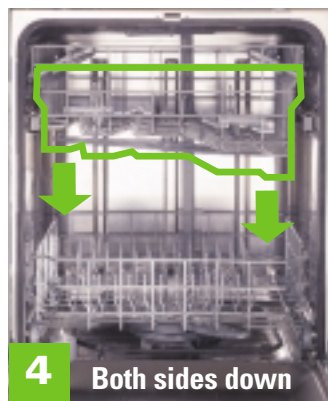

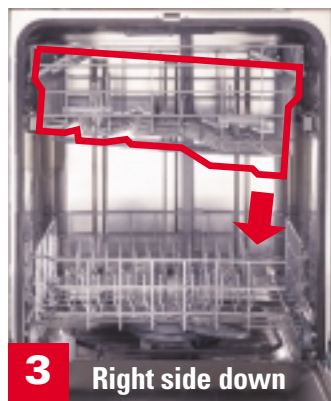

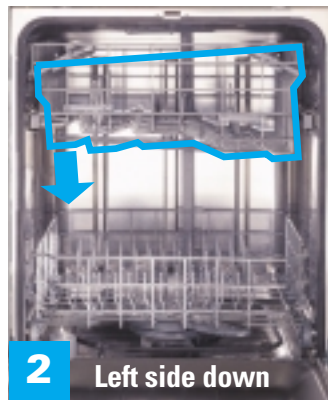

### Four-position adjustable upper rack

❚ Demonstrate how easily the racks adjust up, down and diagonally.

### Fold-down tines

❚ Demonstrate how the tines fold down completely in the lower rack.

## Capacity

**GE Profile Stainless**     **Competitive Stainless**

### Tall-Over-Tall™ rack design

❚ Demonstrate how a tall glass and a 20-qt. stockpot fit in racks without adjusting either rack. Place the tall wineglass P.O.P. in the right-hand side of the upper rack and the 20-qt. stockpot in the lower rack.

❚ Repeat demonstration in the competitors' stainless dishwashers. It won't work.

## Performance and Efficiency

### Sell Performance

❚ The highest performing dishwasher you can buy, guaranteed. These dishwashers offer the best combination of wash and sound performance, usable capacity, energy efficiency and water consumption.

### Sell Efficiency

❚ America's most energy-efficient dishwashers. Based on a comparison of energy usage data submitted to the Federal Government by Dishwasher Manufacturers.

# $S$tainless steel interior built-in dishwashers.

UL   Listed by Underwriters Laboratories

Energy   As an ENERGY STAR® partner, GE has determined that this product meets the ENERGY STAR® guidelines for energy efficiency.

# Dramatic design. Exceptional cleaning. Incredible capacity.

## Sleek

**Sculpted and stylish.**

▌ Exclusive full-length, one-piece color wrap contour door elevates any kitchen decor.

▌ A lifetime warranty* covers both the brilliant stainless steel interior and the classic PermaTuf® interior.

*See written warranty for details.
**Based on competitive literature.

## Smart

**The highest-performance dishwashers you can buy...guaranteed!**

▌ The best combination of:
  – Wash performance through the ExtraClean™ wash system
  – Sound performance through the QuietPower™ V package
  – Usable capacity through Tall-Over-Tall rack design
  – Energy efficiency and water consumption through the ExtraClean™ sensor with automatic temperature control.

## Spacious

**No dishwasher holds more.\*\***

▌ Tall-Over-Tall™ towerless rack design allows a single load to handle all the dishes and cookware that go into a memorable dinner for four, or 16 place settings at once.

▌ Flexible upper rack can be adjusted or positioned four ways, while the lower rack has 100% fold-down tines.

## A Century of Quality and Innovation

For more than a century, GE has been committed to producing innovative products that change the way people live. The result of thorough research and rigorous testing, GE appliances are designed for years of dependable performance.
Today, the GE tradition of quality and innovation continues.
