Custom applications from GE.

Microwave Wall Ovens

For more room in the kitchen and a true built-in look, GE offers the microwave wall oven. A Profile Performance™ stainless steel convection model was introduced last fall. All microwave wall ovens are available in 27" and 30" applications.

Spacemaker™ Over-The-Range Microwave Ovens

These microwaves complete your cooking center – and make the most of your time and kitchen space. The built-in vent helps keep the kitchen free of smoke and odors, and eliminates the need for a hood vent.

Countertop Microwave Ovens

GE's countertop microwave ovens complete any kitchen. Build them into a wall, hang them from a cabinet or set them on a shelf! These microwave ovens offer the conveniences today's consumers want – colors, sizes and feature choices.
