

# JVM1530DM

## GE® 1.5 Cu. Ft. Capacity Over-the-Range Microwave Oven

### Dimensions and Installation Information (in inches)

**Note:** When replacing a 36" range hood, this kit fills in the additional width to provide a custom, built-in appearance. For installation between cabinets only; not for end-of-cabinet installation. Each kit contains two, 3"-wide filler panels.

**Important Information:** When installing the Spacemaker microwave oven over a range, allow minimum of 2" from bottom of Spacemaker microwave oven to top of range backguard to allow for removal of light covers.

**Ventilation Options:** The Spacemaker microwave oven is designed for adaptation to the following three types of ventilation:

- Outside exhaust (vertical)
- Outside exhaust (horizontal)
- Recirculating (non-vented ductless – see Filter Kit drawing)

**Installation Information:** This information is not intended to be used for installing unit described. Before installing, consult installation instructions packed with product/kit for current dimensional data.

### Optional Accessories (Available at additional cost)

#### 12" Filler Panel Kits

JX41-Black

JX40WH-White

#### 15" Filler Panel Kits

JX48BL-Black

JX48WH-White

#### Filter Kits JX81-Recirculating Charcoal Filter Kit

To be used when the Spacemaker microwave oven cannot be vented to the outside.
