quiet design • high energy efficiency • spillproof glass shelves • tremendous storage flexibility • brilliant lighting

The Ultimate in Refrigeration.™
Rethought, Reinvented, Revolutionized.

We bring good things to life.

New bottom-freezers for 2002.

Rethought, Reinvented, Revolutionized.

Unique configuration

- With the fresh food section on top, everyday items are within **eye-level view**. No more struggling to locate food in the far reaches of the refrigerator.
- Makes versatile use of every inch of storage space with **slide-out glass shelves and adjustable bins**.
- Available in **pullout freezer drawer** and **freezer door versions**.

New 22 cu. ft. bottom-freezers

(Models PDS22LBN/SBN and GBS22KBN)

- **GE's largest capacity bottom-freezers, ever!**
- Meet the EPA's **ENERGY STAR®** standards for energy efficiency.*
- Include **upfront controls** for precise temperature management.
- Available in **white, bisque, black and stainless steel** finishes.
- Available in **bottom drawer** or **door** models.

*As an ENERGY STAR® partner, GE has determined that the PDS22LBN, PDS22SBN and GBS22KBN meet the ENERGY STAR® guidelines for energy efficiency.

New GE 18 cu. ft. bottom-freezer with freezer door

(Model GBS18HBM)

- Combines practical convenience and modern styling in a **compact, spacesaving design**.
- Offers **flexible storage features** every consumer can appreciate:
 - **Clear snack pan and crispers**
 - **Three glass shelves** (one full-width, two split)
 - **Gallon door storage**
 - **Full-width sliding freezer basket**

Not all features available on all models.

GE Profile and GE bottom-freezers offer the perfect combination of style and storage flexibility.

Timeless design. Timesaving features.

Rethought, Reinvented, Revolutionized.

Performance

- **Brita® filtered water door module**—Holds nearly two gallons of water, and it can be easily removed from the door bin and refilled at the sink.
- **Large crispers with adjustable humidity controls**—Help food stay fresh.
- **Quiet components and door insulation**—Minimize operating sound.
- **ENERGY STAR®-qualified**—All 22 cu. ft. models now meet ENERGY STAR guidelines.

Appearance

- **Brilliant lighting system**—Offers optimal visibility throughout the fresh food compartment.
- **White, bisque, black and stainless finishes**—A color to complement and enhance every décor.
- **Exterior design**—Radius doors and tubular handles offer the signature rounded look that's seen in today's freshest kitchens. The side-mount handle offers an easy grip, and its rounded edges accentuate the contemporary exterior design.

Flexibility

- **Slide 'n Store™ freezer drawer**—Provides easy access to frozen foods.
- **ShelfSaver™ rack**—Provides convenient storage for 12 beverage cans, two water bottles, two egg cartons or even a 9" x 13" casserole dish.
- **Adjustable, spillproof shelves**—Put refrigerator contents well within reach, and they help contain spills for easy cleaning.
- **Adjustable door bins**—Make room for milk and other gallon containers.

Not all features available on all models.

GE Profile and GE bottom-freezers complement today's kitchens and lifestyles.

C

ontemporary design marries convenience.

Rethought, Reinvented, Revolutionized.

Slide 'n Store™ Freezer Drawer

The slide-out freezer drawer provides ample storage space for all types of frozen foods. Full-width and split freezer baskets allow consumers to organize contents for more space and added flexibility. The upper basket slides independently of the lower baskets, allowing easy loading and unloading.

GE Profile

Bottom-Freezer Drawer Models

GE Profile bottom-freezers are a top choice among consumers who want modern design and maximum convenience.

R

oom with an eye-level view.

Rethought, Reinvented, Revolutionized.

Freezer door

On the surface, the freezer door may look like a top-freezer door, but inside it's actually quite different. A full-width sliding freezer basket gives users tremendous storage flexibility, and it keeps contents perfectly in place. Some models even include door storage for beverages and small boxed items.

GE

Bottom-Freezer Door Model

GBS22KBN **New!**
