

ZFSB25DTSS

GE Monogram® 24.6 Cu. Ft. Free-Standing Stainless Steel Refrigerator with Dispenser

Dimensions and Specifications (in inches)

Additional Specifications:

A 115 volt, 20 amp power supply is required. An individual properly grounded branch circuit or circuit breaker is recommended, as noted on the rating plate.

Installation Information:

Before installing, consult installation instructions, packed with product, for current dimensional data.

Clearances:

- Allow 1/8" on each side and 1" at the top and 1-1/2" at the back side for proper air circulation.

Installation in a corner:

- Allow 4" min. clearance on each side for a 90° opening and access to drawers.
- Allow 14-1/4" clearance on the freezer side for removal of ice bin.
- Allow 19" clearance on the fresh food side for removal of drawers.

ZFSB25DTSS

GE Monogram® 24.6 Cu. Ft. Free-Standing Stainless Steel Refrigerator with Dispenser

Features and Benefits

- Stainless Steel - Wrapped with chamfered edges and Monogram tubular handles
- Counter-Depth - Aligns nearly flush with surrounding cabinetry
- Climate-Control Drawer - Allows you to express-chill beverages, express-thaw meats and select specific temperatures for perishable foods
- Advanced Temperature Management System with Multi-Shelf Air Tower - Provides even distribution of air throughout the refrigerator
- Tri-Level Light System - Illuminates the entire refrigerator
- ENERGY STAR® Qualification - Higher energy efficiency means lower utility bills
- SmartWater™ Filtration System - Delivers clean, great-tasting water and ice through the dispenser
- Upfront Electronic Controls with Digital Readout - Allows precise temperature settings and are positioned for maximum ease of use
- Integrated Ice™ System - The ice bucket is integrated into the icemaker, not the freezer door, freeing up valuable storage space
- Model ZFSB25DTSS - Stainless steel
