

JK3500SF

GE 27" Built-In Double Wall Oven

DIMENSIONS AND INSTALLATION INFORMATION (IN INCHES)

NOTE: Cabinets installed adjacent to wall ovens must have an adhesion spec of at least a 194°F temperature rating.

Note: If marks, blemishes or the cutout opening is visible above the installed oven, it may be necessary to add wood shims under the runners and front trim until the marks or openings are covered.

NOTE: Door handle protrudes 3" from door face. Cabinets and drawers on adjacent 45° and 90° walls should be placed to avoid interference with the handle.

Electric wall ovens are not approved for installation with a plug and receptacle. They must be hard wired in accordance with installation instructions.

INSTALLATION INFORMATION: Before installing, consult instructions packed with product for current dimensional data.
