

Monogram™

ZDP48L4GWSS—48" Professional Ranges

Dimensions and Specifications (in inches)

These ranges are factory set for either natural gas or liquid propane gas.

48" Natural Gas Model:

ZDP48N4GWSS—4 gas burners, grill and griddle

48" Liquid Propane Gas Model:

ZDP48L4GWSS—4 gas burners, grill and griddle

Accessory Requirements:

All models **require** the installation of a backguard. A backguard should be ordered at the same time as the range. Both must be on site at the time of installation.

Order one backguard for 48" models:

ZX1B48WSS—1-1/2" high backguard (required for island installations)

ZX12B48WSS—12" high backguard

ZX22B48WSS—22" high backguard with warming rack (2 piece)

Advance Planning:

Refer to dimensional drawings for appropriate placement and necessary clearances when planning the installation.

- Cabinetry cannot be installed directly above the range.
- This range requires the installation of a vent hood, 30" to 36" above the surface.
 - The vent hood must be at least 24" deep.
 - The vent hood must be the same width as the range.
 - The vent hood blower should provide at least 800 CFM and up to 1200 CFM.
 - When installing a range that includes a grill, select a blower on the high end of the CFM recommendation.
- Working areas adjacent to the range should have 18" minimum clearance between countertop and cabinet bottom.
- Clearance between range and side wall or combustible material must be at least 12" on each side.

ZDP48L4GWSS—48" Professional Ranges

Dimensions and Specifications (in inches)

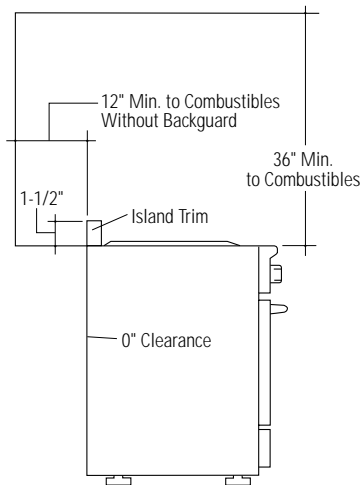

If the range is installed in an island:

- Allow 12" min. clearance at the back to combustible materials.
- Allow 36" min. above the cooking surface to combustible materials.
 - The vent hood blower should provide at least 800 CFM and up to 1200 CFM.
- Installation must conform with local codes. In the absence of local codes, the range must comply with the National Fuel Gas Code, ANSI Z223.1-1990.

A.G.A. approved

Installation Information:

Before installing, consult installation instructions (Pub. #49-8786) packed with product for current dimensional data.

ZDP48L4GWSS—48" Professional Ranges

Features and Benefits

- Stainless Steel Model
- Liquid Propane Gas
- Four (15,000/500 BTU) Dual-Ring Gas Burners
- 18,000 BTU Grill and 18,000 BTU Thermostatically-Controlled Griddle
- Cast-Iron, Porcelainized Burner Grates
- Stainless Steel, Slide-Out Drip Trays
- Electronic Ignition with Automatic Re-Ignition
- 4.3 Cubic Foot Electric Convection Self-Cleaning Main Oven
- 2.0 Cubic Foot Electric Thermal Standard Clean Companion Oven
- Commercial-Style Controls
- Main Oven Features 10-Pass Bake Element and 8-Pass Broil Element
- Porcelain-Enameled Broiler Pan with Chrome-Plated Grid
- 3 Racks in Main Oven and 2 in Companion Oven
- Stainless Steel Oven Doors with Windows
- Tubular Stainless Steel Handles
- 2 Stainless Steel Grill/Griddle Covers
- Model ZDP48N4GWSS—Natural Gas
- Model ZDP48L4GWSS—Liquid Propane Gas
