

GE 30" and Spacemaker™ 27" Drop-In Electric Ranges

We bring good things to life.

GE 30" And Spacemaker™ 27" Drop-In Electric Ranges Provide A True Built-In Look And Innovative Features

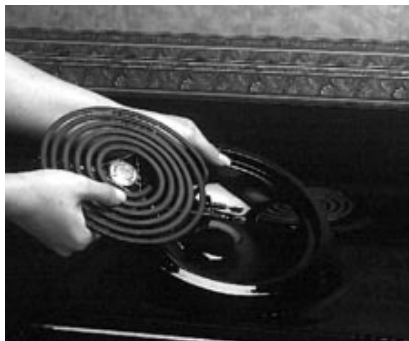

Lift-Up Overhanging Porcelain-Enameled Cooktop

Lift-up cooktop stays up for access to easy clean subtop. Overhanging design provides a true, built-in look.

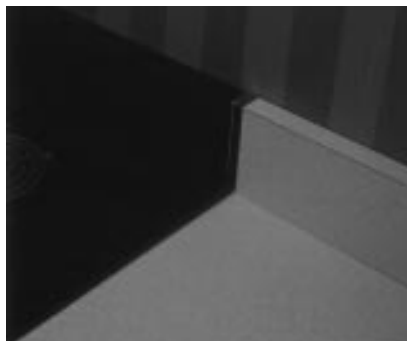

Frameless Glass Oven Door With Window

Check food as it cooks without opening oven door and allowing valuable heat to escape. Oven lights for easy viewing. The frameless glass oven door has a designer-style handle, Soft Sure Grip on Profile™ models, that provides a strong, durable and convenient grip; and doubles as a towel bar handle.

Plug-In Calrod® Heating Elements With One-Piece Drip Bowls

The removable Calrod® surface elements assure fast, clean cooking and even heat distribution. Elements unplug easily for removal of one-piece drip bowls for cleaning and access to subtop. (Calrod® heating elements available on Spacemaker™ 27" models.)

Spacemaker™ 27" Optional Backguard Kit

Optional backguard kit in white, almond or black painted finish is available at additional cost for all models.

Model JDP37GV

Electronic Oven Control With Automatic Oven Timer

Easy-to-use, electronic touchpads allow you to select cooking function, oven temperature and cooking time with a touch of a finger. The digital display shows selected function and simultaneously displays oven temperature and time. Electronic clock gives time of day, serves as a minute timer, and controls automatic oven operation including delayed cooking.

Quality GE 30" Drop-In Electric Ranges

JDP39WV
