RVM1425WA—Counter Saver Plus™ Over-The-Range Microwave Oven

Dimensions (in inches)

Important Information: When installing the Counter Saver Plus™ microwave oven over a range, allow minimum of 2" from bottom of Counter Saver Plus™ microwave oven to top of range backguard to allow for removal of light covers.

Installation Information: This information is not intended to be used for installing unit described. Before installing, consult installation instructions packed with product/kit for current dimensional data.

Optional Accessories (Available at additional cost)

12" Filler Panel Kits
JX41—Black Filler Panel Kit
JX40WH— White Filler Panel Kit
15" Filler Panel Kit
JX46BL—Black Filler Panel Kit
JX46WH—White Filler Panel Kit

When replacing a 36" or 42" range hood, this kit fills in the additional width to provide a custom, built-in appearance. For installation between cabinets only; not for end-of-cabinet installation. Each kit contains two, 3"-wide filler panels. Two kits are needed for a 42" opening.

Ventilation Options: The Counter Saver Plus™ microwave oven is designed for adaptation for the following three types of ventilation:

Outside Exhaust (Vertical—as shown above)

Outside Exhaust (Horizontal)

Recirculating Exhaust (Non-vented ductless—see Filter Kit Drawing)

Note: Before Installing, consult installation instructions for current dimensional data on these three types of ventilation
