PLD617RTSS

GE Profile™ 17" Drop-In Gas Range

FEATURES AND BENEFITS

17" Drop-In Range – Discover how this 17" drop-in RV stove fits perfectly into your camper for easy on-the-go cooking

12V DC Voltage Rating – Conveniently use your 12V DC range with your RV's 12 volt system for power thanks to this hardwired range

Liquid Propane Fuel – Utilize liquid propane in your RV for easy mobile cooking on your propane gas range

Spark Ignition System – Easily light each burner by simply turning on the burner and creating a spark with the spark ignition knob

White Backlit Range Knobs – White backlit range knobs can conveniently be turned on and off for easy visibility any time of day

RV Range with Cast Metal Knobs – These cast metal knobs offer the feel, fit and finish of stainless steel without sacrificing the durability of an RV range with heavy duty knobs

Edge-to-Edge Grates – Easily move cookware on this seamless surface cooktop with continuous black matte grates

Profile Handle – These RV range door handles have been completely redesigned for an improved look

Easy-Clean Enamel Oven – Wipe away messes and grime with one simple swipe in this enamel easy-clean oven

Nickel Oven Rack with Multiple Positions – This durable and fully adjustable nickel rack has 2 flexible oven rack positions to accommodate a variety of cookware

Model PLD617RTSS – Stainless Steel
