## GE Profile™ 30" Free-Standing Electric Range

### Dimensions and Installation Information (in inches)

| KW Rating    |      |
|--------------|------|
| 240V         | 13.9 |
| 208V         | 10.4 |
| Breaker Size |      |
| 40 Amps†     |      |

†**Note:** Check local codes for required breaker size.

Effective January 1, 1996, the National Electrical Code requires that new construction (not existing) utilize a 4-conductor connection to an electric range.

#### Receptacle Locations

Locally approved flexible service cord or conduit must be used because terminals are not accessible after range installation. See shaded area in drawing for location of electrical outlet box. Recommended outlet locations allow range to be installed directly against wall.

**Note:** 30" ranges conform to U.L. requirements for 0" spacing from adjacent walls below countertops. To reduce possibility of scorching walls, engineering recommends a minimum of 1-1/2" spacing to allow for possible extended, high-heat, no-load heating element operation.

**Installation Information:** Before installing, consult installation instructions packed with product for current dimensional data.

## GE Profile™ 30" Free-Standing Electric Range

### Features and Benefits

- 6.6 cu. ft. total oven capacity - Large capacity is ideal for big meals
- Upper oven - Provides the ideal space for cooking pizzas and smaller items
- 12"/9"/6" Tri-Ring Element - Provides three cooking areas in one for the ultimate in cooking versatility
- 6"/9" PowerBoil™ Element - Accommodates various-size pots or pans and 3,000 watts of power speeds the boiling process
- Warming Zone - Provides low heat capability for foods, making meal coordination simple
- Hidden Bake Oven Interior - Conceals the lower oven bake element to eliminate hard-to-reach areas that collect food and spills for easy cleaning
- Pizza Mode - Provides ideal cooking conditions for preparing fresh or frozen pizzas at the touch of a button
- Slow cook mode - Two slow cook options – beef and poultry – deliver ideal conditions for specific meals
- Self-Clean Oven - Conveniently cleans the oven cavity without the need for scrubbing
- Self-Clean Heavy-Duty Oven Racks - Double coated porcelain-enameled racks no longer require hand cleaning
- Model PB970SPSS – Stainless steel
