CONFIDENCE X3

TRAINING

Our dedicated HVAC training team is here to provide a full curriculum to help you learn the ins and outs of our product. Through GE Appliances' Air & Water Solutions Learning Academy, you'll be able to learn about products across our portfolio and stay up to date on your HVAC knowledge.

WARRANTY

Our ductless products come with a 5 year parts and 5 year compressor warranty. You can turn that into a 10 year limited parts and compressor warranty just by registering your product, giving homeowners extra peace of mind. See warranty documentation for full information.

SUPPORT

PEOPLE

Our full team of HVAC experts support the product and pros like you in the field. From leaders who have real-world field experience to specially trained front-line call-takers, we've got a team of experts to provide exactly the level of support you deserve.

TECHNOLOGY

With our visual support system, our experts can join you in the field, virtually! Our system lets you transmit video and still images of technical issues via the web on a tablet or smartphone, to our experts for quick solutions — no app download required.
