PT970SR

GE Profile™ Series 30" Built-In Double Microwave/Convection Oven

Features and Benefits

- Black gloss oven interior - Black oven interior adds a stylish touch to any kitchen
- True European Convection with Precise Air - A reversing fan circulates heat and air for evenly browned and baked foods
- Convection Bake - This setting is optimal for baking casseroles or lasagnas, yeast breads, pies and pizzas with no need to turn the pan
- Convection roast - Optimal for larger cuts of meat, this setting rotates the heat around all sides, sealing in the juices, producing rotisserie results at up to 25% faster than a conventional oven
- Super-large oven capacity - Remarkably large oven interior is ideal for holidays, dinner parties and everyday family cooking
- Self-clean oven - Self-clean allows you to spare yourself from the trouble and effort it takes to scrub the oven interior
- Electronic oven controls - Electronic pads on the control panel are easy to operate with just a touch
- 1.6 Cu. Ft. Capacity (Upper Oven Only) - Provides a large interior to accommodate a variety of cookware, dinnerware and food containers
- Turntable (upper oven only) - Rotates food throughout the cooking cycle for even cooking results
- Hidden bake oven interior - Conceals the lower oven bake element to eliminate hard-to-reach areas that collect food and spills for easy cleaning
- Model PT970SRSS – Stainless steel
